<p>I wish to add my full support to this planning application please, the improvement that this has made to my outlook and those around it is striking.</p> <p>We used to look at the building in that position previously and comment on how large, ugly and imposing it was, not to mention dangerous. The new caravan area is a marked improvement and far less imposing.</p> <p>I am a retired fireman and the previous building was a fire hazard and potential accident waiting to happen.</p> <p>The whole site has been cleaned of junk and rubbish as well so improves our environment, and reduces any risk of rats/pests etc.</p> <p>My wife and I have lived next to the cricket field for 30 years and I must say that this is the best improvement made during that time.</p>
