2023/62/91649/E	11, Wood Street, Skelmanthorpe, Huddersfield, HD8 9BNDemolition and rebuild boundary wall	25/07/2023	Objections due to: lack of alternatives to the application to remove the wall, such as options to improve the strength/performance of the wall for example using ground anchors, also objections due to the impact in terms of Carbon, disruption during works such as the necessity for road closure, the potential risk to services due to the extent of the proposed works, and the impact on neighbouring properties due to the lack of consideration of the 3 dimensional impact and angle of the slope. Also objections in terms of impact on trees, on biodiversity such as roosting bats. Also no tree survey was included and it was felt that there was an overall lack of information to base decisions on.	Nicole Helliwell
