

**Consultation Response from KC,
Lead Local Flood Authority**

2023/91679 11, Weavers Avenue, Golcar, Huddersfield, HD7 4RR

Erection of single storey side extension and alterations to form rooms in roof space

Date Responded: 13th September 2023

Responding Officer: Paul Farndale

Responding Ref:

Removal of permitted development rights on this estate should only have been applied to numbers 10 and 12 due to the presence of a watercourse running between those two properties and under the open space.

This should not have applied to number 11 and there is no risk in allowing the extension to be built.

We therefore SUPPORT this application.
