<p>I feel I as a Local Resident and Muslim I add my comment in this application.</p> <p>It is clear from a lot of local residents they don't support this application. I can understand them. I am aware and have witnessed the problems. All of issues are created by the Ravenshouse Rd Mosque users.</p> <p>Therefore I have to object to this Mosque application. I would have supported the application if I knew they were not to be blamed for traffic issues and safety issues. I am afraid they are.</p> <p>The Planning Officer when you make a decision please take in to account the objections. The objections do warrant you to refuse this application.</p> <p>Another thing is that there are about 4 other local Mosques in nearby and one only few yards away from the Mohaddis E Mission Mosque on Ravenshouse Road. So why do they need another Extension when Faizaan E Madina Mosque in Pilgrim Estate is already being built. There is no need for another.</p> <p>By the way I don't use any of them.</p> <p>Please Planning Officer take the Objections because they have a reason that they have objected.</p> <p>Thankyou.</p>
