I can’t believe this is still ongoing.

I face problems parking outside my house everyday. The people coming to the mosque to pick up their children arrive 30 minutes early and block everyone.

They are rude and aggressive the mosque owners behave even worse when we complain.

I have on numerous occasions complained to the council and they have done nothing about it why?

I live here, I am a taxpayer. I should not have to go through this every time I come home from work after a long day.

Refuse this application and fix the problems the council and mosque together has created.
