<p>Highways know the safety problems and traffic congestion and blocks we all face,</p> <p>Planning officer Sarah long bottom knows too this mosque has done nothing but cause problems for the community,</p> <p>Sometimes I go the shop and see them Outside trying to move the mosque users cars when they block the shop and all they get is abuse. Sometimes people go in the shop and slam their door and start swearing causing problems because of the mosque.</p> <p>This has been going on for years when we the council realise that this is a mosque not to join the people but it mission is to divide the people.</p> <p>Look at what they done and the problems they have caused over the years.</p> <p>This big building if passed will lead to councils being taken to court by fed up Buissneses and residents.</p> <p>This needs to be refused they have no logical reason to pass this. Safety is dangerous zebra crossing is dangerous. We need the council to come themselves everyday at mosque times and fix all these problems or the police. It causes problems us and our local shop everyday.</p>
