This application is ongoing for years. The planning officer and councillor committee refused the application on many occasions in past. For the reasons below. No matter what the mosqu will tell you please consider previous comment of objections. The Mosque have not done any thing regarding safaty Of users and pedestrians alike. The traffic is at high people always park on roads and drop children. On Friday's prayers people try to park every where and block buses and other cars. Accidents happened. The children's safety is very unsafe. The applicant keep submitting planning application but take no step to care about other people. Police and highways officers have attended on numerous occasions to deal with problem. The race relations between the Community are at high level. Please refuse.
