We have our driveway blocked and they refuse to move their cars. Police have to be called in order to get into our drives. They have serious parking issues how do they expect to build an even bigger mosque? Their reports online are all fabricated and full of lies. Anyone can pay someone to make a report as they wish. The council should buy past experience to good use in deciding this, there are mosques all over but none create deliberate problems and harassment and serious safety issues to local authorities and residents like this mosque has done and is continuing to do so. Ambulances, buses cars all get caught in traffic at the mosque times. This should be refused!!!!
