<p>I am Muslim and I must say, This is absolutely ridiculous, the problems existing for many years by this mosque still have not been solved by anyone. Giving them more permission will only add to this when will Kirklees council wake up and realise that people have suffered for years and years and they need to put a full stop to this. Think how much our local shop has and is still suffering to date because of the Mosque. Every lady people compliant with evidence and yet nothing seems to be done. The trs report sent days ago is not correct as the mosque told users not to bring students because they are doing a report. And once they've done it they can go back to normal. Refuse this and make them sort out the traffic problems they have caused!</p>
