<p>It's murder trying to get to quality food store. It's our local shop and we need it but can't access it at mosque time. Had many many arguments with users of the mosque when trying to access the shop. Never understanding that Ravenshouse road does not belong to the mosque! Sort your problems first! The council already has made mistakes when they first gave permission and at that time it was only for 5 cars. Now we are all suffering. Refuse this application we don't want or need it. Pilgrim mosque have almost completed the centre which will provide all this you can go and check for yourself. It's for the same community so why is it needed here?</p>
