<p>The mosque is causing a lot of traffic as I try to go for grocery shopping and the road is blocked from the mosque all the way to down to low road and this is unfair to the local people like myself. Cars are parked everywhere this will only get worse if application is granted. Council will pass and the community will suffer so will the shop. Whiterose problems are getting worse with lorries and the mosque with cars. Ravenshouse Rd is fully stretched and there is simply no room. This will bring more people from other areas with more cars more students with more cars and more trouble in this residential area. They need to find a place somewhere where there is no people or houses or businesses. This Rd is dying with the traffic burden already in full effect so pls planning officer refuse check the council complaint record and you will see the problems and dangers. Refuse this</p> <p>Some people might support this only because the mosque are</p>
