<p>Parking is horrendous at mosque times. It's not safe from people at that time, never mind the congestion it causes. Mosque goes park in pilgrim estate that's how bad it is right now on a single story floor.</p> <p>We object to this because look at the years of evidence provided to the council about this mosque.</p> <p>It will over shadow everything, causing more traffic problems that is at serve level now. More blockages to our local shop baring in mind the support it gave the whole community in times like covid.</p> <p>We can hardly access it now at the mosque times.</p> <p>Highway grounds, safely ground refuse this application!</p>
