<p>I've had enough of the constant drama and blocking. I've complained many times but no one listen or does anything. I'm fed up refuse this it's not needed. There is a bigger Mosque who is provided the exact same facilities the centre it's building so what's the point having it here? It's for the same community and purpose. Refuse this and the council should sort out the mess it caused by giving them permission in the first place. Where are the parking officers? Where are the restrictions? Why is no one bothering with Ravenshouse Road? Refuse this application it's not needed and the aftermaths will be worse!</p>
