Can't access our local shop quality foods on Ravenshouse road at mosque time. It's always blocked and users of this mosque don't listen or read the signs or acknowledge the yellow lines that are there for a reason. We have to wait for people to move when they are "good and ready" after they pick up their kids just to access the shop. How is that fair to us or the shop? Please understand that this will cause more problems and will escalate the already difficult and frustrating situation that is on severe at this moment with the problems caused by the mosque.
