| <p>We don't need this here, there is a bigger mosque 100yrds away that has built a centre for all the facilities. The traffic is very bad here and the blockages we face daily at the busy mosque time is worse than anywhere else.</p> <p>We can't and I can't access my own home because of the traffic and parking issues. I have had many arguments with mosque goes to move their cars and they don't want to listen. I can't leave my house at the busy mosque time nor can I come back home.</p> <p>I object to this application there is not safety, violations are occurring daily, blockages daily. This is all on a single story building image just imagine how bad it will be if you give them what they are asking for.</p> <p>I object they don't want to solve the problems that they have caused over the years instead they are adamant in making it worse for everyone.</p> <p>Think about our local shop Quality food store and how much they have suffered over the years, what they have been through. Look at the danger the Mosque bring as dangerous drivers and parking issues, yellow lines blocked, zebra crossing blocked not safe for anyone crossing the road.</p> <p>Please refuse we have to live here so think about us and refuse.</p> | |
