<p>I have objected for two reasons. Take the traffic issues out as already too many complaints been already made.</p> <p>My first reason for objections are they already have Mosque so why they need a 4 storey building when they can't control single storey floor building ?</p> <p>Secondly objection is that just across on the road on Pilgrim Estate on Pilgrim Avenue there is a big Mosque and now they are building which will be a Multi Cultural Centre been not just for Pilgrim Estate centre but will be opened to all colours of people in the Community. I been there they helped me with a problem I need help with . Council officers attend and have meeting with local Community in the Pilgrim Mosque Community rooms. This is kind of Building Community need in the area. Pilgrim Estate Mosque is extremely well run. No need for this 4 storey. Thankyou</p>
