<p>I just want to make my views known to the planning department, if this application is passed like the ones before in the planning committees with this mosque and the traffic problems here that are already high, get worse we the locals may be left with no other option but to involve legal representation to address the problems that the councils planning department creates.</p> <p style="text-align: right;">Instead of extending, the council should be explaining to the mosque that this area is not suitable for their big plans!</p>
