<p>I would like to say that this mosque is the best thing that has happened to this area.</p> <p>I have read other objections which i feels are exaggerated</p> <p>traffic issues have been mentioned but i is observed and these are for 10 mins at 4.30 and 6pm. and 10 mins at 7.30pm.</p> <p>the rest of the times, the traffic is not impacted by the mosque users rather deliveries and customers to next door shop. outside his shop.</p> <p>where does his customer park? yellow lines? zigzags? corners?</p> <p>i has seen bus/trucks using wrong side of road to pass the parked delivery vans/trucks/lorries. these truckers or lorries are not mosque users.</p> <p>the space opposite mosque is used by the neighbours to park their cars. so where do the customers park?</p> <p>the mosque will look beautiful once it is built. i has seen the plans.</p> <p>i urge you to pass the plans so the area has outstanding facilities for locals.</p>
