<p>In the past 25 years, there has been NO MOSQUE in this area. Since its establishment over 20 years ago, there are now almost 400 students who are gaining VALUABLE KNOWLEDGE daily. The Mosque in Pilgrim Avenue, has approx 30 students attending daily and that was constructed only a few years ago. You only have to ask the Students attending Mohaddis e Azam Mosque and their parents, what a VALUABLE AND IMPORTANT ASSET the Mosque has been to them. The Mosque is CLEARLY AND EVIDENTLY DOING SOMETHING RIGHT AND VALUABLE FOR THE COMMUNITY OF DEWSBURY MOOR.</p> <p>The Traffic issue, well what can I say. There are THOUSANDS OF SCHOOLS in and around the Country and we only have to look at St Paulinus, Boothroyd and Westmoor Schools without going far. The Traffic situation is so dire around these places, that it is impossible to pass without having to Queue for SEVERAL MINUTES EVERY DAY in the Morning and Afternoon !!! There NO VENDETTA or MALICE towards the Next door shop, which the Mosque owns by the way. The Mosque has a Car Park which can COMFORTABLY house 30 Cars plus. Just like Schools where the parents IGNORE ALL REGULATIONS and park on the Zig Zag Lines and in the middle of the road and where ever they can whilst dropping or picking up their Kids, the same happens here but, only for 1 or 2 minutes. Whereas at Schools, this happens for 20 to 30 minutes. You just have to observe the above Schools to realise how true this is. This Project is ONLY GOING TO IMPROVE AND BETTER the current Mosque and give a Much needed Modern Scale of this amazing and successful Education Establishment. I am in Total and complete favour of this Project and give my full support for this to go ahead. Planning should be granted.</p>
