<p>This is an outstanding Mosque. I go to drop children off regularly and i do not see an issue with the traffic and parking. I always find suitable parking very easily. This planning needs to go ahead as it will help alot of children/youngsters/elders as they will get the best islamic education from the best teachers. A lot of children go to this mosque and with the extension, i feel this will have a positive affect on the children and the teaching. They will gain more facilities, more space, more activities and mostly more education.</p>
