

To whom this may concern,

I hope this letter finds you in good health and high spirits. I am writing to express my strong support for the proposed extension to Mohaddis E Azam Education Centre. As an active member of the community, I believe that this expansion will be a significant asset to our neighborhood and will greatly benefit the local Muslim community.

Having witnessed firsthand the positive impact Mohaddis E Azam Education Centre has had on our community over the years, I firmly believe that the proposed extension is an essential step forward. The mosque has been a central hub for spiritual guidance, community events, and educational programs, fostering an environment of inclusivity and unity among its members.

By expanding the physical space of the mosque, we can accommodate the growing needs of our community more effectively. There are currently over 300 students in the mosque which has helped reduce the anti social behaviour which means the expansion to the mosque this could lead to over 500 students. The increased capacity will enable the mosque to offer a wider range of services and activities, catering to people of all ages and backgrounds. This expansion will create an even stronger sense of belonging and provide a safe and welcoming environment for our community members.

Moreover, the extension to Mohaddis E Azam Education Centre will also have a positive impact on the overall community. It will serve as a place for interfaith dialogue, fostering understanding and building bridges between diverse religious groups. By promoting mutual respect and cooperation, the mosque will contribute to the harmony and coexistence among various communities within our neighborhood.

I am confident that the proposed extension has been thoughtfully planned, taking into consideration the architectural aesthetics, zoning regulations, and environmental impact. We understand that there has been parking issues but the planning of the expansion of the mosque will allow the car parking size to increase. I believe that the mosque's leadership and the responsible authorities have conducted a thorough assessment to ensure the extension adheres to all relevant guidelines and regulations. I kindly request you to consider my strong support for the proposed extension to Mohaddis E Azam Education Centre. I believe that this endeavor aligns perfectly with the core values of our community and will contribute significantly to the betterment of our society.

If there are any public hearings or meetings regarding the extension, please inform me, as I would be more than willing to voice my support in person. I also encourage you to reach out to other community members and organizations to gather additional support for this valuable project.

Thank you for your attention to this matter, and I look forward to seeing the extension to Mohaddis E Azam Education Centre come to fruition. May it continue to be a beacon of peace, harmony, and spiritual guidance for our community.
