I have been ex students of this mosque since last 10 years. The mosque very small and is needed the extension due lack of space for the students and overall for the community. We have to pray our prayers outside due to space sometimes. I know if the mosque have a bigger space they will help the community by keeping workshop and getting younger generation of road. Considering that we provide good educational services and community work this is must and demanding by people. Therefore I would request you to go ahead with this planning.
