The mosque at Ravenshouse road, Mohaddis E Azam Mission is the best mosque within the area in the sense that they offer the widest range of subjects and topics of Islamic Study and the proper and essential educated Scholars teaching them. It would be greatly beneficial for the WHOLE community if they could get planning permission to erect the extension and remove the shop next door. It is on its last legs and nobody really uses it. The conditions inside the shop are really poor also (hence why nobody shops there apart from kids for sweet and snacks lol). This space would be greatly utilised for further educating young bright future generations of our community and enable them a safe and sufficient space of worship and home. Parking is not an issue at all and it is never ever congested. These are all ill comments repeatedly made to discourage the works to continue and extend the Mosque. Kind Regards.
