As ex student of this mosque since 10 years or more. We have struggled in lack of spacing while studying or even prayer Jumma or Eid as we have to pray outside due to the space. If this mosque is built-up then it will help the community as they will not have to go elsewhere. Also considering younger kid begins on road would stop as the mosque be open for workshop etc. The mosque has high ambition to help the community. I would humbly request the officers to give permission and make life easier for community.
