I would like to object and hope the application will be nicely refused.
There are very high level of issues on Ravenshouse road Mosque and I can confirm they can't handle the problems
I request that you completely susprnd their planning application because the parking and tesidents privacy woll beboggest issue and secondly there is a very new building being built in Pilgrim Avenue which will be for everyone regardleds of colour religion and ethinicity. That place is not only mosque but a Multi cultural centre for all.
There are no traffic and no noise either any danger for children at Pilgrim Mosque but I am afraid there are alot of factors effecting in Ravenshouse road and will be worse should they be granted permission.
Please follow their track because they had put portacabins in the Mosque car park which had no permission and it took the Council aboutv5 years to enforce and get them removed because the Mosque committee would not remove them.
This was infact when they knew that the car park wasneede for cars. What will they do now if you allow a planning permission.
