This application should be refused. There is a nice built Mosque in Pilgrim Estate. Everyone is welcome there. We can pray and they help us with learning English literacy. I was attending the Ravenshouse Rd Mosque before and I always found that it was not comfortable because of arguements over parking and the shop . They are giving example about schools parking . I have grandchild attending the Boothroyd school although yes there is parking issues there at end of the day the school is a local Government Building and the Authority can control the problem but the Mosque is private building therefore another thing is they are admitting themselves that there are parking problems at the Ravenshouse Rd Mosque how they going to cope with a big Mosque building. Do they realise how much their problems has cost to Council because of the Yellow line. Is the Mosque going to reimburse the costs that the Council has spent there.
