<p>I object to this application. They have been up and running Ravenshouse Road Mosque for past 12 years. Their been accidents and parking issues. Problem is while they ask for planning permission they say that the Mosque agrees to everything what Kirklees Council ask them to do. But like before once this application is passethen they will say its the Drivers fault not the Mosque. They won't stop anyone and won't any Drivers. When Drivers argue in over parking problems the Mosque guys watch but won't do anything to help. Even they know its their fault. Because they don't provide parking. Police and Council officers are fed up and so are. Please do good thing by refusing the application. Why are they talking about Pilgrim Mosque because do they realise how much tensions they have created within the Community. Thats not what a good Samaritans do. Are they tying to close the Pilgrim Mosque.</p>
