Please object to this as there is are real genuine problems. As any sane person will know it will only get worse.

The same people to pass this will be the same ones (different departments but still Kirkless council) to run and try to maintain and solve those problems.

At a cost
At every one's expense
Parking officers are already over stretched
Ward councillors are already stressed with Ravenshouse road
The mosque has not and will not solve the problems caused by them, they had have years to do it
Going forward is it was passed who would sort the growing and new problems?

If the planning committee was to pass this are they willing to take responsibility for the problems faced by every user of the shop? Everyone local resident?
The problems the shop Quality food store will faces now and going forward?

If the planning committee or council can not take responsibility they should not pass this application unless the council is against our local and daily used shop Quality food shop and want to cause them enough damage to run them out.

I'm afraid this is the reality of what the mosque has caused. It has been targeting our local and daily used shop Quality food store for years and the it decides to target the other Muslim mosque in pilgrim for no apparent reason other to cause more community division.

REFUSE THIS APPLICATION ONCE AND FOR ALL OR, PASS AND THE PLANNING COMMITTEE OR COUNCIL TAKE FULL RESPONSIBILITY FOR THE PROBLEM CAUSED AND AND FUTURE PROBLEMS THAT ARE CAUSED BY THIS AND FOR THE PROBLEMS THAT QUALITY FOOD STORE FACES ON A DAILY BASIS NOW AND GIING FOWARD!
