<p>What ever happens I still object.</p> <p>For the past 12 years they haven't maintained cars and they won't do in the future.</p> <p>When they opened the Mosque in the first place their promises were every user will be from local area and not far away.</p> <p>Everybody every day comes to this Mostque fro far away as far as Bradford. Because if this problem the Parking issues are bad.</p> <p>They bought adjacent piece of land and turned in to a Car Park for Worshippers. I was very happy. But unfortunately rather than making Cars park there they instead put some two Portacabins there and made more room. the Planning Enforcement Officers sent them Warning letters asking them to remove the Portacabins.</p> <p>However the Car park is still not used. People park on Road.</p> <p>What does this proof is that they the Ravenshouse Rd Mosque are causing in conjunction with a . The Council has put yellow lines</p> <p>However the problem still exist.</p> <p>At Mosque time the Mosque has a stand park attended who stands</p> <p>These are the basic principles of my reasons I want this to be refused at Officer and Committee levels.</p> <p>Thankyou</p>
