<p>we objected last time nothing changed it it a right of walkers way it cant get cars going up that path children play at the bottom cars when parking will be a issue when netherley gets iced up we only have a small amount of parking for mount road and we have a no exit on our terraced row blocking it big issue. more water coming down there its already gushing down and nowhere to run plus i doubt it will stop at 2 .as do others. more traffic pollution 2 houses equal a possible 4 cars 2 per household</p>
