Do you wish your comments to be published on the website anonymously?	Yes
<p>This comment is submitted on behalf of Peak and Northern Footpath Society. We are a charity who exist to protect public rights of way. I have concerns about this application in relation to Definitive FP Colne Valley 207/50. This path leaves Mount Road at SE 0437 1081. The path is signed but it is not possible to walk beyond 0437 1081 as the line of the path is built over. This needs resolving by an appropriate diversion There is reference on the drawings to a diverted line of part of the path adjacent the development site. This has not been subject to the proper procedure under highways legislation. Would you please liaise with Street Scene staff to ensure the interests of walkers are properly taken account of and if the development is to proceed a safe route separating vehicles and walkers is provided as far as possible.</p>
