Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I am unsure if I need planning permission as I was told by a adviser of the council that I do not need it but then I was told I need to apply and the decision would be with the council whether I need planning permission or the lawful development certificate.

Details of the pre-application advice received

We were told that the council would decide and in the mean time apply for this certificate if we need it it would be issued. If not we will be given the go ahead without needing planning permission or the certificate. As we only need the go ahead for and operators licence.

With respect to the Authority, is the applicant and/or agent one of the following:

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
