Dear Sir/Madam

I am writing re the consultation on the erection of a detached dwelling at 410 Birkby Road, Huddersfield. I do this as a resident of 9 Valley Head, HD2 2DN. The rear of our house and the garden is overlooked by the detached dwelling at 410.

I object to all aspects of this planning application on the grounds that I was unable to access the proposals.

I moved into 9 Valley Head on 24/07 and acted as quickly as possible to answer mail relating to the ownership of the house. This planning application was one of the ones requiring immediate attention. However,, the link to the planning proposals has not been working. I tried from the 25/07 onwards.

From conversations with other residents, in Valley Head, I hear that they too have been unable to access the planning proposals because the link is not working.

It is clear therefore that the proposals must be re-submitted to all residents with sufficient time for them to consider and respond to appropriately.

I look forward to this being confirmed and a swift reply.

Kind regards
