<p>Although we have no objection to this proposed extension to this already very large property we sincerely hope this is the final Addition/change/Variation of Conditions Application for the whole plot of 410/412 Birkby Road. Work has been ongoing on this plot (demolishing two large properties and building two larger ones) since December 2021 and we need to see an end to the noise, dirt and disruption this project is causing to all the surrounding residents on a daily basis.</p> <p>The attached plans also don't show the additional floor that was approved for 410 on application 92183 on 23/9/22. This perhaps is misleading in regards to the amount of living space already available in the property even without the extension in the current application.</p>
