| Our garden is immediately adjacent to the application site. The proposed hours of above application are at odds with the applicant's main existing premises. The application for the existing premises, ref.: 99/62/93109/E4 for which planning permission was granted, states opening/operating times of 7:30am to 6:30pm Monday to Friday, and 8:00am to 1:00pm Saturdays, with no operation to take place on Sundays or Bank Holidays unless otherwise agreed in writing by the LPA. I believe the anomaly is an oversight on the applicant's part and should tie in with the existing hours. |    |
