2023/62/91907/W Further to the above planning application i strongly object this for the following reasons. Kingsley avenue is very narrow street with difficult access and bins collection are missed regularly because no access to Kingsley avenue. Must recently There was fire in one of the houses and fire engine was having difficulty to get to it and Ambulances attending any emergency always are slow down because the access. For the reasons the application should be rejected.
