**Rear of, 18 Kingsley Avenue, Huddersfield, HD1 3SR**

Dear Sir,

I am writing to express my strong objection to the planning permission application 2023/91907, which seeks approval for the proposed development of 10 dwelling at the back of Kingsley Avenue. While I appreciate the importance of urban development and progress, I firmly believe that granting permission for this project will lead to an unacceptable increase in congestion in Kingsley Avenue.

The road safety audit submitted in the 'supporting information' section of the planning application was conducted on a Monday afternoon. I would like to point out that most people would have taken their cars to work at time so won't see the street as congested as experienced by most residents. The photograph below was taken on a weekend which clearly shows the access being restricted.

I urge the Planning Department to take this into consideration when making a decision.

Yours Sincerely,
