Rear of, 18 Kingsley Avenue, Huddersfield, HD1 3SR

Dear Sir,

I am writing to express my strong objection to the planning permission application 2023/91907, which seeks approval for the proposed development of 10 dwelling at the back of Kingsley Avenue.

I think we have already emphasised enough on the issue of traffic congestion in the street. I want to bring some new points to your attention. I have seen some comments supporting the development on the basis of this land being used for dumping rubbish and attracting anti-social behaviour.

The following photo was included in the supporting documents of the application.

Photo Appendix

Figure 9 – View to rear of site towards west.

The _____ to make it look like there is a problem with that land being left empty. I think this matter should also be investigated.

You can clearly see in the satellite image there is a path through this land that is used by people to access the park and used by many dog walkers.

Yours Sincerely,
