Hi, I am in favour of this planning proposal, i think it's a really good idea and will improve the look of the area as well as making the area safer for the local residents. Presently the plot of land has known to attract anti social behaviour during the years and also used as a dumping ground. The proposal will help the local economy and provide trade for local businesses and currently helps towards the need for housing in Kirklees proving affordable homes. I wish to remain anonymous

Thanks
