To whom it may concern,

As a resident of Kingsley Avenue, I am extremely happy to see the application 2023/91907. As a  
with I have always felt unsafe living with this overgrown land due to  
the fact that it has been used for criminal activities on several occasions. We experienced a burglary at our house at  
one time. This experience traumatised me, and I had about it happening again, as burglaries were  
common due to the access in the overgrown land. I feel unsafe taking my younger siblings  
out in our community. Therefore, converting this region into a residential area would be excellent. I would love to  
see it transformed into an appealing residential area rather than an abandoned part of land. I would also love to  
take a walk in the area without feeling unsafe. I trust that you will do what is best for our community.

Thank you for your time
