To Whom it May Concern

Planning Application no. 2023/91907

In regards to the above planning application to build 10 houses to the rear of 18 Kingsley Avenue, I wish to add a comment in favour of it.

will dramatically improve the look of the area and make it much safer.

As the land is at a slope I understand the new development will be lower than the existing houses in Kingsley Avenue so this shouldn't invade anyone's privacy

The new development will deter fly tippers and youngsters loitering about which the council is aware of

Thank you
