**Subject:** 2023/91907 Updated Information

Dear Sir/Madam,

Thank you for your email regarding the updated information on the above planning application at the rear of 18 Kingsley Avenue. Having read the new consultation responses, I wish to withdraw my previous letter of support for this application, as it is clear that the proposal is unacceptable from a highways position and also the parking on Kingsley Avenue and the junction of Yews Hill Road has become worse since the application has been submitted.
