<p>I object to the proposed planning application on two grounds:</p> <p>1) The land in question is a valuable natural habitat containing many species of plants and providing important nesting sites for many species of birds. Additionally, the site is bordered by a Ash tree, which overhangs the proposed site, with the Ash being a increasingly rare and valuable tree species within the UK. Development of the site may negatively impact the Ash tree or require it to be pruned/felled.</p> <p>2) The proposed build will negatively impact my own property in two ways: a) The build will result in a loss of light affecting daylight entering and inhibiting plant growth/productivity in the garden area. b) The privacy of my property will be negatively impacted, allowing sight into</p>
