Subject: RE: Attached letter from Kirklees Council regarding application number 2023/91942 at location Land at, Forest Road, Dalton, Huddersfield, HD5 8EU

I can confirm that Condition 10 (Structures) can now be partially discharged subject to the submission of "Construction Compliance Certificates" for the private retaining structures supporting the existing highway, as stated in the approved AIPs. Have they submitted the approved documents for uploading on the planning portal?

Furthermore, please note that the design of structures supporting the new access road beyond the site entrance are outside the remit of my consideration, as the developer has advised that the new access road is to remain private.

Regards
