

A PINFOLD COTTAGE
NEAR BANK

SHELLEY
HD8 8LS

Aug 2023

Planning Application = 2023/91949

Re Quarry at Woodhouse, Shelley.

I strongly object to this application on the grounds of the amount of traffic that will be using Huddersfield Road and Near Bank. This is a rural area and roads are not suitable for this volume of traffic and weight. We are already experiencing walls taken down by HGVs and not rebuilt.

The junction on top of Near Bank onto Huddersfield Road is unsuitable and very dangerous for the volumes of anticipated vehicles.

It is a walking route for school children to Shelley High School; which will be dangerous and could lead to injury or death.
