<p>I am writing on behalf of Shelley Community Association to comment that we believe that at the last application the firm did not expect an intensification of HGV journeys, rather a similar number of journeys would continue for a longer period of time, and we would appreciate a similar assurance this time, and would be grateful if planning could clarify the number of HGV journeys proposed.</p> <p>There is also a concern about youngsters on Huddersfield Road and Shelley Woodhouse Lane going to and from Shelley College so perhaps the timing of activities could be a consideration on the grounds of Highway Safety and Residential Amenity.</p>
