<p>I believe some of the roads the lorries may use to transport quarried materials have weight restrictions on them. I believe some in Cumberworth do, can you confirm that this has been checked given the weight of the lorries when fully loaded. In particular we need to know if restrictions apply on Near Bank, Shelley Woodhouse Lane, Longmoor Lane etc. If this is the case then we need assurances that the quarry will not allow its lorries to use there routes.</p>
