Planning application made March 2024 (2023/92023). KC Highways Development Management (Mark Berry) on 28/5/25 made, as a condition of approval, that only vehicles of 3500 kg or length of 7.170 metres could access the site. Once again, today 11/6/25 an articulated lorry of 16.5 metres accessed the site at 8.45 this morning. Photographic evidence is available. It arrived as people were accessing the Surgery and at School entry time. It was still unloading at 10.am.
