Dear sir,

Re: Planning application: 2023/92035 80 Cliff Road Holmfirth HD9 1UZ

There is no plausible excuse for Kirklees Council to refuse this application.

The four existing agricultural outbuildings have been in a poor state of disrepair for many years and are no longer fit for purpose. They all need to be demolished and replaced as they are beyond repair.

The applicant has applied for a modest new barn to be erected on the site to facilitate lambing and feed storage, which will blend into the hillside far better than the four current outbuildings.

I give this planning application my full support.

Yours,
