RE- PLANNING APPLICATION
Nº 2023 / 92078

11. MOORTOP AVE.
THURSTONLAND HD4 6YB.

ERRECTION OF STORAGE + BIKE BUNKER.

TO THE PLANNING OFFICER

The proposed site plan for BIKE BUNKER + STORAGE is inappropriate, excessive and unacceptable.

The unity created and designed originally of MOORTOP AVENUE, would be compromised as no other property have extended between the boundary and building lines.

The BIKE BUNKER, (for Petrol Motorbike) Part wooden in construction presents a potential Fire and Safety Hazard Risk. Sited next on plan to vehicle on the drive and the public footpath and highway.

The planning application no works commenced but there is evidence that there has. prior to consent.

The Bike Bunker will limit views and will be an eyesore from neighbours properties also

Yours Sincerely
